Real Estate and Transaction Support

### Regulatory Compliance Assistance

Risk and Liability Management

Ecosystem Services and Sustainability

## Case Study

A global appliance manufacturer with a portfolio of facilities in the US hired BBJ Group in 2014 to support their compliance planning, monitoring, and reporting efforts.

### Challenges

- Escalating EHS turnover at the plant level
- Violations due to EHS discontinuity
- Poor information flow to EHS director

### Solution

- Supplemented EHS staffing with routine site visits
- Established improved rapport with agencies
- Consolidated Director-level progress reporting

### Value

- Reduction of direct labor costs
- Improved implementation of compliance programs
- Decreased company-wide violations
